# Get Branded!

***Make a name for yourself  
with our shirts and your labels.***

**Customize your product to raise your brand awareness!** Imagine your very own brand of shirts! Take advantage of this opportunity and differentiate your products from the competition by relabeling your products with your own custom label.

Relabeling opportunities increase your products perceived value and increase your margins and profits.

- Brand apparel with your own custom label
- Market your business by including your logo, web address or phone number on your custom label
- Elevate your products from “just a commodity” into a custom branded product
- Differentiate your business from the competition with your own custom label
- Increase value to your brand by developing a pricing strategy above the competition
- Offer the same service to your customers, create custom label products to enhance their own brand
- Create a private label clothing line for your customer

Our branding service offers you:

- Fast turnaround
- Competitive pricing
- Services offered: over the taping, under the taping and tagless
- We can assist you with your labels
- Our broad assortment of products offers you a wide range of branding solutions for you and your customer

## Things to consider before you start

- Label Type: Thermal, Satin Poly, Woven or Tagless
- Label Size: What Looks Best in Your Garments
- Garment Types: T-shirts, Fleece, Sport Shirts or Hats
- For Tagless: Customer Logo/Care Label: 13/4" x 13/4" rolls.
- Label Format: Loop, Split, Locker or Tagless
- Presentation: Over the Taping, Under the Taping or Tagless
- Joker Label: Mill Produced or Custom Made
